

► | Digital Center Distance Caliper

5118-150

Technical Data

Model	Range (mm)	Accuracy (mm)	Resolution (mm/inch)	L (mm)
5118-150	5-150	±0.04	0.01/0.0005"	240
5118-200	5-200	±0.06	0.01/0.0005"	290
5118-300	5-300	±0.08	0.01/0.0005"	390

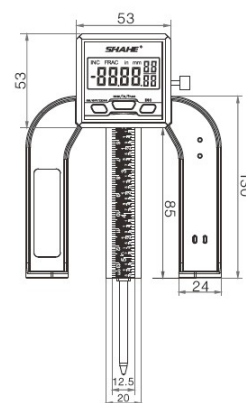

Features

- Measure the edge to the center of the hole
- Material: Stainless steel
- Battery: 3V CR2032 environmental lithium battery
- Buttons: on/off, zero, mm/inch conversion
- Waterproof level: IP54
- Automatic power on/off

► | Woodworking Depth Gauge

5407

Technical Data

Model	Range (mm)	Accuracy (mm)	Resolution (mm/inch)
5407-80	0-80	±0.01	0.01/0.0005"

Features

- Automatic power off, metric/inch Conversion, relative measurement.
- Measuring ruler with locking screw.
- Digital display for easy reading.
- Test the height and depth of the steps.
- ON/OFF/ZERO: Short press to turn on, reset to zero, and long press to turn off.
- mm/in/frac: metric/inch Conversion.
- INC: Short press for relative measurement.
